I have the great pleasure to be able to invite you all to the 1.st seminar in Norway with Tuhon Ray Dionaldo, the founder of the Filipino Combat Systems. This seminar will be held in the beautiful scenic winter landscape of Oersta. Ray's merits as a martial artist and instructor speak for themselves, and you can find more info about him on his website.

The main areas of attention during this seminar will be: single stick, knife, kerambit, sarong and espada y daga. You will of course be able to make requests regarding the contents of instruction in each of the areas.

For more information regarding the seminar please have a look at page 2 of this invitation!!

I really look forward to welcoming you all to Oersta for this great seminar!!

HOW TO GET HERE:

Once you get to the Oslo Airport (Gardermoen) it's not all that difficult to get here. At www.wideroe.no you can get a flight that brings you smack in the middle of Ørsta.

You may also travel with other airlines to Ålesund (1,5—2 hour drive to Ørsta).

Or you may also take a bus (www.nor-way.no) from Oslo or Gardermoen airport to Ørsta. This takes about 8-9 hours though.

When arriving at the Oslo Airport from abroad (and if you are transferring to another flight) you need to pick up your luggage and check it in one more time.

PAYMENT OF PARTICIPATION FEES:

Participants from Norway:

You can find the participation fees on page 1. The fees are to be transferred to **account nr. 3992.04.73966** in my name. Please register the text "Ray seminar feb.09" when you make the payment. Please also send me an e-mail with the names of all the participants.

Participants from abroad:

Participants from abroad are to make the payment of the seminar fees in cash. The seminar fee for this category is 100 Euro or 800,- NOK. **Participants from certain countries may get a reduced participation fee.** Please send me an e-mail with a request. Also please send me an e-mail with the names of the participants for registration.

ACCOMMODATIONS:

Regarding accommodations there are several options depending on how much money you want to pay.

Hotels: www.vikingfjordhotel.com (nr.1) or www.voldaturisthotell.no (nr.2) and more by request.

Cabins for rent: www.orstacamping.no and more by request.

You may also choose to stay at the training facilities at no charge, but it's a bit out of the way. You also need to bring something soft to sleep on. Maybe an air mattress might be a good idea?

If you send me an e-mail with the number of participants I may be able to get a good prize at the hotel for you.

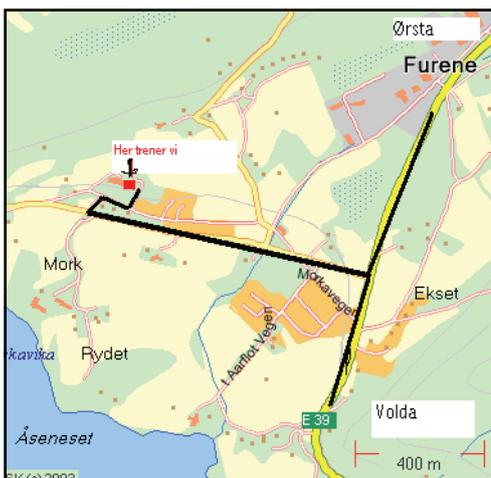

GENERAL INFORMATION:

Bring your weapons! There will be some for sale at the seminar. It's also advisable to bring some good indoor shoes that don't leave black marks on the floor. Bring good winter clothing, and keep that in mind if you want to go skiing or snowboarding at the ski resorts.

If there is anything more you need to know, please send me an e-mail. And remember to send me an e-mail to sign up for the seminar.

CONTACT INFO: Please contact me by e-mail jo-joh2@online.no or ffskali@yahoo.no. You may also call me or text me at nr +4790651860. I look forward to seeing you all here!!
